- Extremely Experienced in implementation of data structures and design patterns
- Thorough understanding of deep level fundamentals of object-oriented programming
- Extensive experience building websites with HTML, CSS and JavaScript
- Strong knowledge in databases: MySQL, DataGrip, and Derby Framework
- Strong knowledge in JDBC API
- Experience with version control - Git
- Experienced in building applications – React, Flutter API, and Firebase
- Very strong skills in debugging, and performance testing
- Very strong time-management and organization skills
- Coded various 2-D platformer games using Unity Engine and C#

Work Experience:

Code/STEM Tutor at Code Ninjas Los Alamitos (562) 249-6242

- October 2021 – Current
 - This position allows me to extend my passion for coding and building games using JavaScript and Python to kids ages 5-16. It is my responsibility to go through the code they've written and make sure they understand why and what they're doing. It also strengthens my ability to work in a team environment.

Busser/Cashier/Host at Domenico's Italian Restaurant (714) 313-0866

- March 2021 – July 2021
 - Communicated politely with customers to seat them at their tables, brought bread and drinks, and fulfilled any special requests. Also assisted servers and attended the cash register.

Cashier at Robbie's Sandwiches (831) 515-7411

- September 2019 - May 2020
 - Helped customers at the front register as well as over the phone. Explained menu options and took orders down before bringing the food out to the customers. Communicated with the kitchen to get the food out as efficiently as possible.

Volunteer at Dominican Hospital at Santa Cruz (831) 462-7700

- October 2018 - January 2019
 - Volunteered at Dominican Hospital by working at the front desk and using the computer system to guide visitors to their desired patients. I spoke Spanish and delivered lab specimens and performed other small duties around the hospital while following the H.I.P.A.A. code of conduct.

Clubs

- Member of Association for Computing Machinery at CSULB
- Member of Society of Hispanic Professional Engineers at CSULB
- Member of Google DSC CSULB
- Member of Lunabotics Club at CSULB

Athletics

- CSULB Rugby player Fall - Spring 2020
- CSULB Jiu Jitsu club - Spring 2020
- SVHS Varsity Wrestling Team - Grades 7-12 10 hours per week/ 15 weeks per year
- Varsity Wrestling Team Captain - Grades 11-12
- Very strong leadership skills and able to take initiative
- Able to communicate complex information in an easily comprehensible way
